RECOMMENDATION and COMMENTS

1. All time and charges appear necessary and proper.
 X 2. Other:
1. This requests a standard fee plus the costs of filing
2. The detail does total the amount requested.
3. The PACER cost would seem to be an estimate, not the actual cost. Therefore, the recommendation is to disallow it as not being an actual cost.
4. The Bankruptcy Administrator does not generally respond to requests for the presumptive fee and does not make a recommendation at this time.
5. The recommendation is that the requested expenses be reduced by \$30.
